## Choice Applications

If you have not done so, please be sure to submit your choice application during this open enrollment period which ends this Monday, May 20th. Some of the classes are close to full, so get your application in today to reserve your child(ren)'s seat.

The online address is <http://dpi.wi.gov/sms/choice-programs/student-applications>. You **MUST** print out the last page and submit it to the office, along with your proof of residency.

For new students, you must also submit proof of income. The last page of your online application states what you must submit in order for your application to be complete. All paperwork (copy of application and proof of residency... and proof of income for new students) must be received in the office during the open enrollment period.

If you have any questions, don't hesitate to call Mrs. Jenny in the office at 464-5775.

## Summer School

We are still accepting applications for summer school. If you haven't signed up and thought it was too late, here is your chance. Attached to the newsletter today is the sign-up sheet. Fill it out and return it to school by this Friday, May 17th.

If you have already filled one out and sent it back to the office, you do not need to fill out another one. Your spot has been saved.

## Spring MAP Testing

Last week, we started spring MAP testing. These tests are important to our school and help us determine if our students are showing appropriate growth. It is very important that your child(ren) are here on time with a good night rest and a full stomach.

All of our students have set goals for this round of testing. The class with the highest percentage of growth will get to silly string Mrs. Radiske at our end of the year MAP All Star Parade. Talk to your child(ren) about how they will reach their goal and do their best.

A wild cat shout out goes to Peli Orugbani, who scored a 253 on his math test and received an out of uniform pass for a week.

## After School Care Payments

After school care bills went home in last week's green folder. Payments are due this Friday, May 17th. Please pay this bill or the program will no longer be available to you. If the bill is not paid in full, your child will not be allowed in after school care.

If you have any questions, please call the school at 464-5775.

## 8th Grade Graduation

Our 8th graders are graduating from Blessed Savior School on Thursday, June 6th at 6:30p.m. at the East Campus. Each 8th grader received a packet of information on Monday, May 13th, regarding all graduation activities.

## Last Day of School

We have been receiving many phone calls about the last day of school. Our last day of school will be Friday, June 7th. We will dismiss at 11:30a.m.

## End of the Year Bills

As the end of the year is approaching, **ALL** accounts must be up-to-date in order for your child(ren) to receive their final report card. This includes After School Care Program, lost or damaged textbooks, basketball uniforms, and library books.
